MINUTE ENTRY

By minute entry dated March 19, 2010, the Court ruled that Plaintiff had failed to establish any basis for personal jurisdiction over the moving Defendants. The Court granted Plaintiff a time to conduct discovery and file a supplemental response by May 31. No discovery has been conducted and no supplemental response has been filed. Counsel for Plaintiff has moved to withdraw and the court signed the Order allowing withdrawal. The Defendants filed a Motion for Attorney's Fees and the Court found good cause to award them their attorney's fees and has signed the Order submitted by Defendants.

In light of Plaintiff's failure to file a supplemental response to Defendants' Motions to Dismiss for Lack of Personal Jurisdiction,

IT IS ORDERED Defendants shall file an affidavit of attorney's fees and a form of Order of Dismissal.
